November 7th — Election Day. Vote.

October 27th — Last day to register.

With a small investment (less than $45 a month for five years for most households), we can get a top-quality library for our kids and our community.

Help build a new NATURITA LIBRARY on Main Street!

PLEASE VOTE YES on Question 5A in November.

**What are we voting on?**

Question 5A will appear on the November ballot for voters in the Naturita voting precinct to authorize a temporary property tax increase of .83 mills for five years for property owners in the voting area. The revenue generated is a portion of the funds needed to create a new Naturita Library. This increase means that the average Naturita homeowner will pay an extra $5.30 per year or 45¢ per month for five years.

**What are the plans for a new Naturita Library?**

The Montrose Regional Library District has purchased the building at the corner of West 1st and Main Street in Naturita and will renovate and expand it into a new Naturita Library. If this ballot question passes, the District can secure grants from private and government sources to begin construction next Spring with expected completion by the end of 2007.

**Why is it important to vote YES?**

- A new and improved Naturita Library is important to our children’s future.
- In order to get private and government grants to build the library, we must show strong community support. A YES vote on this ballot question will give us that support and will return grants worth more than seven times the income from this property tax increase.
- A new library on Main Street will be more accessible to residents and will help improve our downtown.

The new Naturita Library will be 4,000 square feet and feature a 30-seat meeting/story hour room, free wireless internet and laptop computers throughout the library, a community courtyard at the front of the building, private study/computer rooms, expanded hours, and more books, videos and music.

Question 5A is endorsed by the Naturita Town Council, Nucla-Naturita Chamber of Commerce, Montrose West Recreation, and the Montrose County Commissioners.
